### Parent/Guardian Riding Release Agreement 2020/2021

Dear Parents/Guardians of the Therapeutic Riding Program,

Welcome (back) to the program, here is a reminder of how we work and the criteria for the program:

- We run 3 ten week sessions throughout the school year. Shannon Durant and Donna Thurgood are the instructors; Annie Racine is the volunteer coordinator and office administrator and we are overseen by a volunteer Board of Directors.
- There is a **\$150 session fee for a semi-private class or \$300 for a private class per 10-week session.** Annie can forward you funding information, contact her at prtravolunteer@gmail.com.

#### **This year's sessions will tentatively run:**

- Fall Session: October 13<sup>th</sup> to December 18<sup>th</sup> (this session is 9 Mondays and Wednesday only)
- Winter Session: January 11<sup>th</sup> to March 18<sup>th</sup> (this session is 9 Mondays only)
- Spring Session: April 7<sup>th</sup> to June 14<sup>th</sup> (this session is 8 Mondays only)

Three forms must be completed (will be provided by the school):

1. The Parent/Client Release registration form - **must be received before your rider can ride.**
2. If you are new to the program, the Notice to Physicians, a doctor's form, must be filled out. **Again your rider cannot ride on a horse without this form.**
3. There is also a \$10 Rider Registration Form – this is the Membership Fee.

If you need any of these forms, please let us know and we will email them to you.

- **Attendance:** If your rider is not able to attend class, please call 604-485-0177 or email prtravolunteer@gmail.com as soon as possible. If your child misses more than 3 classes/session, their eligibility for the program will be reviewed. Fees are non-refundable unless the rider needs to leave the program due to a medical issue. A doctor's note may be required.
- **Clothing:** Please ensure your child is dressed appropriately for the weather, long pants, sweater and gloves. Helmets and boots are provided.

Please call 604-485-0177 or email prtravolunteer@gmail.com if you have any questions throughout the year.

Thank you, PRTRA

The Powell River Therapeutic Riding Association is a non-profit organization which provides therapy on horseback and riding instructions for clients with physical, psychological and emotional issues.

PRTRA undertakes to provide as safe an environment for our clients as possible, but cannot guarantee that injuries will not occur. The following steps are taken to ensure the client’s safety.

- Classes are conducted by experienced riding instructors who have first aid training.
- Helmets and safety belts are provided and all clients are required to wear them.
- Therapeutic horses are selected for their quiet disposition.
- Volunteer horse leaders, who have experience with horse-handling, and side-walkers are assigned to assist the client when necessary. They provide the amount of assistance deemed necessary by the instructor in charge of the class.
- Workshops are held to provide volunteer training.
- Horse tack is examined regularly and safety stirrups used with English saddles.
- Clients are advised that they must wear boots with a heel and be dressed appropriately for riding with long pants and warm clothing.
- The potential of natural of man-made hazards being present that can cause me harm, including communicable disease.

I, the undersigned, do not hold the Powell River Therapeutic Riding Association directors, employees, volunteers or other personnel, responsible in the event of occurrences and possible injuries, no matter how caused and whether foreseen or not. I agree not to sue PRTRA or anyone associated with PRTRA in the event of any injury or damage, no matter how caused.

### RIDER WEIGHT POLICY

Acceptance into PRTRA therapy programs is at the discretion of the PRTRA staff and Board of Directors. The rider's weight, size, tone and level of body control are all taken into consideration.

#### **Therapeutic riding activities are contraindicated if:**

1. The staff is unable to safely manage the participant in any situation, including an emergency dismount;
2. Safety, health or comfort of the horse is compromised during mounted activities;
3. The rider's weight is over our maximum limit of 180 lbs.

#### **Weight Limit**

\*In order to participate in therapeutic riding at PRTRA, riders must have their current weight on file.

\*Current weight is required at least one time per year and may be required at the beginning of each session.

\*Each rider/horse combination is subject to a weight limit, that is, different horses have a different limit. Each weight limit is calculated according to accepted industry standards on rider weight limits, this is generally 20% of a horse's weight including all tack and equipment. Therefore, participation in riding at PRTRA is subject to the availability of a suitable horse and is at the discretion of the PRTRA staff.

\*PRTRA reserves the right to weigh all riders at any time during their participation in the program. Riders who surpass the weight limit for their assigned horse during the session will not be permitted to continue riding.

I have read and understand the information on this form.
